

Now give
some
of that
money,
Essi!

Page 18

I will not!

You just
spent it all!

Well, go get
more, you
have your
debit card.

I think Essi
should get the
"Stupidest
of the Year"
award!

Page 26

What an
idiot!

Yeah, I agree.

And the chick
still thinks
that I'm
"interested"
in her!

HA
HA
HA!

It ...It ...

Page 33

... Opened!?

Something's
written
on it ...

"Cursed be the one
who takes
advantage
of her friend."

What?!

And that's not
all: the day
before yesterday,
150€ disappeared
from my account and
the previous
day 250€!

Although we are
a little better off
than others, we'll
soon end up
on this street!

Page 43

Do you
understand,
Essi?

Yes mom.

Botox lips ...
Breast
implants ...
Bleached hair...
Reduced nose ...

page 71

And you still
want nothing
but evil for her!

All of that your
"friend" Essi
paid for.

I have
missed
you, Essi!

Have you
really?

Of course.
Why are you so
suspicious?

I know about
you and Noppa!
We are finished!
