The background of the entire page is an acrylic painting. It features large, white, multi-petaled flowers with prominent yellow centers and dark brown stamens. Interspersed among these are smaller, pointed red flowers. The background is a vibrant, textured blue. The painting style is visible with thick brushstrokes and some areas of overlap between colors.

Is a collection of Art postcards.

Original images are Acrylic painting's I painted on cardboard (A4) in the summer of 2025.

This is a collection of acrylic paintings reproduced as cards. The floral paintings were inspired by the Finnish Midsummer night; folklore holds that if you gather seven different wildflowers and place them under your pillow before going to sleep, you will see of your true loves face.
